A2 Level Examination Writing Section

The writing section is scored out of a total of ten points. There are five criteria, each of which receives two points.

Candidates whose writing ability for a criterion is considered to be below the minimum acceptable standard for A2 level receive zero points for that criterion. Candidates whose writing ability is judged to be at the **minimum** standard for A2 level receive one point for that criterion, while candidates whose ability for a criterion is considered to be above the minimum level for A2 receive two points for that criterion. The number of points for each criterion is added together to give a total score out of ten.
